If It Were Possible to Put All Its Mileage Into One Straight Road, There Would Be Enough to Span the Continent, the Pacific Ocean, and Leave a Margin for Excursion Purposes Into Interior Asia-Other Bright and Timely Information Relating to In-

Chief Engineer Brown of the "Penn-sy" in his annual report explains that with the nearly 500 miles of new track laid in 1893 included, the total miles of WANTED-POSITION BY A MARRIED man as gardner or florit; will take may other honorable employment. Address, W. H., No. 352, Phelps -t., Scranton, Pa. west of Pittsburg and Erie and 48252 the lines west of Pittsburg and Erie. If all the ines controlled by the Pennsylvania Railroad company were placed in a straight line they would extend from New York to San Francisco and return, and then a single-track road for the same distance could be laid to some other point. Including the sec-ond, third and fourth tracks and the company's sidings, the Penn-ylvania-Railroad company owns and controls 15,1302 miles of track, which would be long enough, if it were feasible, to extend from New York to Chine, with a few miles left for excursion lines in the Colestial kingdom.

> Statement of the business of all lines of the Pennsylvania Railroad company: All lines east of Pittsburg and Erie, for December, 1893, as compared with the same month in 1892, show decrease in gross earnings of \$632,078 01, decrease in expenses of \$816,556 89 and increase tin net earnings of \$184,478 88 The twelve months of 1893, as compared with the same period of 1892, show decrease in gross earnings of \$2,466,620 93, decrease in expenses of \$1,823,844.02 and decrease in net earnings of \$543,-276.91. All lines west of Pittsburg and Erie for December, 1893, as compared with the same month in 1893. show a decrease in gross earnings of \$707,302.01, a decrease in expenses of \$481,880.23 and a decrease in net earnings of \$225,511.78. The tweve months of 1893, as compared with the same period of 1892, show a decrease in gross earnings of \$1,227,186,95, a decrease in expenses of \$887,435 42 and a decrease in net earnings of \$349,751.59.

Says the Philadelphia Times: "Coal trade authorities report the almost total absence of demand in tide-water markets. The shipments of the roads are at the minimum, and were it not for the fact that returns are compared with those of January last year, which was an exceedingly bad month on ac-count of adverse weather conditions, they would snow heavy decreases. > The anthracite sales agents at a meet ing in New York yesterday, decided to make the February production of anthracite 50 per cent, of the capacity which is about 2,250,000 tons. The production in February last year was ,128,807 tons and 3,172,021 tons in 1892. They further resolved to meet on Feb. 15, when, if the weather has been mild, they will further reduce the production, and if cold they will increase it. Nothing was done in the way of changing prices.

FINANCIAL AND COMMERCIAL

Stocks and Honds New York, Jan. 25.—Extreme duliness characterized dealing at the stock exchange during the greater part of the day. Total sales 155, 115. The great bulk of the business was in St. Paul, sugar, Burlington, Western Union and Louisville and Nashville. The bulls had the market well under control until a last hour. The under control until a late hour. The dealings, however, were devoid of ani-mation and for the most part uninteresting. The advance in prices was equal to Mal per cent. No change of importance in the speculative temper occurred until about 1 o'clock, when the bears discovering indications of when the bears discovering indications of free realizations, took measures to frighten the small traders into salling. The decline from the highest figure of the morning was equal to  $\frac{1}{4}$  to  $\frac{5}{2}$ . Among the inactive stocks Lankawanna sold at 104. This is the first sale since Monday, when the stock brought 109. The market closed wask at about the lowest rount. weak at about the lowest point.
